Ph. D. Admissions- March 2024

Last date for receipt of online applications: December 8, 2023

NCCS invites applications from eligible candidates for admissions to the Ph. D. program of March 2024 session. Eligible applicants, who are bonafide Indian citizens with a consistently strong academic record and a deep commitment to pursuing Ph. D. research in modern biology such as Cell & Molecular Biology, Structural Biology, Bioinformatics, Systems Biology, Neuroscience, Immunology, Infection Biology, Cancer Biology, Microbial Ecology, etc. are encouraged to apply. Applicants should have, or anticipate completing, their post-graduate degrees by the end of July 2023 and hold a valid Junior Research Fellowship (JRF) from select agencies, including CSIR, UGC, DBT (Category I), ICMR, BINC, or DST-Inspire.

Applicants who do not possess a fellowship but have qualified the JGEEBILS examination conducted by NCBS/TIFR in December 2022 are eligible to apply. NCCS will offer a limited number of fellowships to selected JGEEBILS qualified students but do not have fellowships. However, only candidates shortlisted according to NCCS criteria will be invited for Ph. D. interview.

Please note that submitting an application to the NCCS Ph. D. program with the essential qualifications does not guarantee shortlisting for Ph. D. interview or subsequent selection.

ELIGIBILITY:

1. Candidate must have a postgraduate degree in any branch of sciences with a strong interest in pursuing research in various areas of modern biology. The candidate should have a minimum of 55% or an equivalent Grade Point Average (GPA). A 5% relaxation in marks will be granted to SC/ST/OBC candidates and persons with disabilities.
2. Candidate must hold a valid fellowship from either CSIR, UGC, DBT (Category I), ICMR, BINC, or DST-Inspire.

OR

Candidates must have qualified in the JGEEBILS examination conducted by NCBS/TIFR in December 2022. Shortlisting of candidates will be based on their JGEEBILS cut-off score established by NCCS for the interview.

Candidates who qualified only for Lectureship (LS) in CSIR-UGC (NET), DBT (Category II) and the 'Project list of ICMR' are not eligible to apply.

NOTES:

- Students are required to submit their applications online. The candidates need to have a Gmail account to fill the online form.
- For any technical inquiries related to the online application process, please contact us at phdadmission@nccs.res.in, indicating 'Ph. D. Admission Query' as the subject. All future

announcements and additional information pertaining to this procedure will be exclusively available on <https://nccs.res.in/Career/1> periodically.

- The upper age limit for JRF shall be 28 years as on March 01, 2024. Age relaxation for women and candidates belonging to SC/ST/OBC/PWD/EWS categories will be in accordance with the Government of India guidelines.
- The terms and conditions pertaining to the fellowship will be according to the funding agency that grants the fellowship. NCCS will not be responsible for providing fellowships except for selected JGEEBILS students.
- Reservations for women and candidates from SC/ ST/ OBC /PWD/ EWS categories will be in accordance with Government of India guidelines. Applicants from SC/ ST/ OBC/ PWD/ EWS categories must attach a self-attested copy of the relevant certificate with their application and provide the original certificates at the time of joining. This includes SC/ST (caste certificate), OBC (latest non-creamy layer certificate), PWD (PWD certificate), and EWS (income & asset certificate).
- NCCS Ph. D. program is a full-time commitment, and selected candidates may be required to reside on campus. On-campus hostel accommodation is provided to selected students on a first-come, first-served basis.

SCHEDULE FOR Ph. D. ADMISSIONS, MARCH 2024 SESSION

Last date for receipt of online applications	December 08, 2023
Publication of the list of shortlisted candidates invited for an interview on the NCCS website	December 18, 2023
First round of interview (online)	January 8 to 10, 2024
Declaration of result of first round (online)	January 10, 2024 7:00 PM
Final round of interview (online)	January 11 & 12, 2024
Declaration of result of selected candidates	January 18, 2024
Interaction and finalization of guide in person and joining	February 26 to March 04, 2024

Note: Selected candidates are required to be present at NCCS from February 26 to March 4, 2024, to engage in discussions with scientists, finalize their research guide, and complete their joining procedures. Accommodation during this period will be provided by NCCS.
