8. Technical Bid Evaluation:

- i) On the due date the bids will be open by the bid opening committee and the bids opened will be forwarded to the indenter for technical evaluation of the bids and to shortlist the technically eligible/qualified bids.
- ii) The technical evaluation will be an assessment of the Technical Bid. NCCS, Pune will proceed through a detailed evaluation of the Technical Bids as defined in Chapter IV (Schedule of requirements, specifications and allied technical details), in order to determine whether they are substantially responsive to the requirements set forth in the tender. In order to reach such a determination, NCCS, Pune will examine the information supplied by the BIDDERS, and shall evaluate the same as per the specifications mentioned in this tender.
- iii) NCCS reserves the right to formulate evaluation criteria in addition to the specifications and requirements indicated in the tender, in the interest of NCCS, Pune and this criteria/recommendation will also form a part of short-listing of the firms.
- iv) NCCS will examine all the Technical aspects of the bids received. Further, NCCS may seek additional information from the other existing users, these feedbacks will be considered for technical evaluation, the bidders will also be called for technical presentations if it is required so.
- v) The information received and the bids already submitted together will be examined with reference to the tendered specifications and evaluation will be done by NCCS.
- vi) After the technical evaluation is completed and approved, NCCS shall inform to the BIDDERS whose bids have been rejected technically with the reasons for rejection.
- vii) The successful BIDDERS will be informed regarding the date and time of Commercial bid opening.
- viii) In the event of seeking any clarification from various BIDDERS by NCCS, Pune, the BIDDERS are required to furnish only technical clarifications that are asked for. No amendment to commercial bid will be entertained at that stage. In case if a BIDDER fails to quote for a particular item it amounts to non-compliance and hence such bid will not be considered for further evaluation. Further, during this process if any BIDDER indicates the price during the clarification such bids also will not be considered for further evaluation.

9. Commercial Bid Evaluation:

Based on results of the technical evaluation NCCS evaluates the Commercial Bid of those Bidders who qualify in the Technical evaluation.

- a) NCCS, Pune shall be free to correct arithmetical errors on the following basis:
 - (i) If there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of the Purchaser there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected.
 - (ii) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
 - (iii) If there is a discrepancy between words & figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.
- b) Selling exchange rate/equivalent to Indian currency will be as on the date of bid opening in the case of single bidding and the rate on the date of opening of the Techno-Commercial bids i.e., Technical Bid in the case of two-part bidding.
- c) The bids shall be evaluated on the basis of final landing cost as per format given in Price Schedule in case of import / indigenous items.
- d) The comparison between the indigenous and the foreign offers shall be made on FOR destination basis and CIF/CIP basis respectively.
- e) For import the purchase order would be issued on CIF/CIP basis only.
- f) The Vague terms like “packing, forwarding, transportation..... etc. extra” without mentioning the specific amount/percentage of these charges will not be accepted. Such offers shall be treated as incomplete and rejected.
- g) After arriving at final pricing of individual offers of all the short listed firms, the lowest firm will be awarded with Contract/Purchase Order.

- **The Director, NCCS, Pune reserves the right to accept the offer in full or in parts or reject summarily or partly and also reserves the right to cancel the tender at any stage without assigning any reasons.**

CHAPTER-2: INSTRUCTIONS TO BIDDERS

1. PREPARATION AND SUBMISSION OF OFFERS:

It is mandatory for the BIDDERS who respond to this tender to meet the expectations as are tightly linked to NCCS, Pune plans of completing the project within the time frame.

3. Performance Bank Guarantee (PBG):

a. Within fifteen (15) days of the award of contract / Purchase Order, the vendor shall furnish a Performance Bank Guarantee amounting to 5% of the purchase order value. The Performance Bank Guarantee will be accepted only in the form of Insurance Surety Bonds / Account payee Demand Draft / Fixed Deposit Receipt / Bank Guarantee (any one) from any Commercial Bank or payment online in an acceptable form, safeguarding the purchaser's interest in all respects for the following purpose (Drawn in favor of Director, NCCS, Pune).

b. NCCS will forfeit the 5% Performance Bank Guarantee (PBG) submitted, if, the vendor fails to comply with all the contract obligations mentioned in the Purchase Order.

c. The Performance Bank Guarantee (PBG) should be valid for warranty period + 60 days. Hence while preparing the BG, the time period required for delivery and installation and warranty + 60 days needs to be confirmed to cover the BG validity period.

d. The Performance Bank Guarantee (PBG) will be refunded to the vendor only on satisfactory completion of all contractual obligations as per this Tender and Purchase Order issued against this Tender.

e. Bank Guarantee wherever mentioned in this document may be read as “Bank Guarantee from National/Commercial/Scheduled Bank.

4. Amalgamation/Acquisition etc.:

In the event the Manufacturer/Supplier proposes for amalgamation, acquisition or sale of its business to any firm during the contract period, the BUYER/Successor of the Principal Company are liable for execution of the contract and also fulfilment of contractual obligations i.e. supply, installation, commissioning, warranty, maintenance/replacement of spares accessories etc. while submitting your bid, you may confirm this condition.

5. Bid Validity Period:

a. The prices must be valid at least for a period of **180 days** from the date of opening of the Tender. No changes in prices will be acceptable in any condition after opening of tender till the validity of the offer or execution of the order whichever is later

b. NCCS, Pune may ask for the BIDDER’s consent to extend the period of validity. Such request and the response shall be made in writing only. The BIDDER is free to accept or reject such request. A BIDDER agreeing to the request for extension will not be permitted to modify his bid.

c. Bid evaluation will be based on the bid prices without taking into consideration the above corrections.

6. AWARD OF CONTRACT:

a. NCCS, Pune shall award the contract to the technically qualified eligible BIDDER whose bid has been determined as the lowest evaluated commercial bid.

b. If more than one BIDDER happens to quote the same lowest price, NCCS, Pune reserves the right to award the contract to more than one BIDDER or any BIDDER.

7. NCCS, Pune reserves the right to vary quantities at the time of Award:

(a) NCCS reserves the right at the time of Contract award to increase or decrease the quantity of goods and services originally specified in the tender document without any change in unit price or other terms and conditions. Further, at the discretion of NCCS, the quantities in the contract may be enhanced by 25% within the delivery period.

(b) Firms which have already supplied similar equipment to NCCS, Pune and have not completed required installation/commissioning/after sales service/warranty replacements etc. such firms offer will not be considered for further evaluation and no enquiries thereafter will be entertained.

8. Customs Clearance:

NCCS, Pune has appointed its own Custom House Agent (CHA) for all the imports. The address and contact details will be provided at the time of placing the Purchase Order.

9. Fraud and Corruption:

NCCS, Pune requires that bidders, suppliers, contractors and consultants, if any, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy,

(a) The terms set forth below are defined as follows:

(i) “Corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in contract execution;

(ii) “Fraudulent practice” means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;

Such money will be deducted from any amount due or which may become due to the supplier.

iii) NCCS, Pune reserves the right to cancel the order in case the delay is more than 10 weeks. Penalties, if any, will be deducted from the Security Deposit or EMD.

16. Public Procurement (Preference to Make in India), Order 2017:

a) NCCS, Pune shall compare all substantially responsive bids to determine the lowest valued bid. This Institute is following and abide with the Public Procurement (Preference to Make in India), Order 2017, DIPP, MoCI Order No. P-45021/2/2017-B.E.II dated 15th June 2017 and its subsequent amendments. Accordingly, preference will be given to the Make in India products while evaluating the bids, however, it is the sole responsibility of the bidder(s) to specify the product quoted by them is of Make in India product along with respective documentary evidence as stipulated in the aforesaid order in the technical bid itself.

b) As per the above order and its subsequent amendments “Local Content” means the amount of value added in India which shall be value of the item procured (excluding net domestic indirect taxes) minus the value of the imported content in the item (including all the custom duties) as a proportion of the total value, in percent. Accordingly, the suppliers will be classified in following categories.

- **Class I local Supplier – has local content equal to or more than 50%**
- **Class II local Supplier – has local content equal to 20% but less than 50%**
- **Non-Local Supplier – has local content less than 20%**

c) **Verification of Local Content:** The Class I Local Supplier /Class II Local Supplier at the time of bidding shall be required to indicate the percentage of local content and provide **self-certification as per Annexure J** that the items offered meet the local content requirement. The details of the location(s) at which the local value addition is made also needs to be specified.

In case of procurement in excess of Rs.10 crores, the suppliers shall be required to provide the certificate from the Statutory auditor or cost auditor of the company giving the percentage of local content.

The bidders can be debarred for a period up to two years as, per Rule 151(iii) of GFR 2017, in case of false declaration.

Complaint Redressal Mechanism:

In case any complaint received by the procuring agency or the concerned Ministry/Department against the claim of a bidder regarding local content/domestic value addition in a product, the same shall be referred to competent authority at NCCS, Pune or the relevant Ministry.

The bidder against whom the complaint is received shall be required to furnish the necessary documentation in support of the domestic value addition claimed in the product to authority. If no information is furnished by the bidder, such laboratories may take further necessary action, to establish the bonafides of the claim.

A complaint fee of Rs. 2 lakh or 1% of the value of the domestically manufactured products being procured (subject to a maximum of Rs.5 lakh), whichever is higher, to be paid by Demand Draft, to be deposited with Procuring Institute. In case, the complaint is found to be incorrect, the complaint fee shall be forfeited. In case, the complaint is upheld and found to be substantially correct, deposited fee of the complainant would be refunded without any interest.

False declarations will be in breach of the Code of Integrity under Rule 175 (1)(i)(h) of the General Financial Rules for which a bidder or its successors can be debarred for up to two years as per Rule 151 (iii) of the General Financial Rules along with such other actions as may be permissible under law.

17. Requirement of registration: Vide Ministry of Finance OM No. 6/18/2019-PPD dated 23rd July 2020.

i. Any bidder from a country sharing a land border with India will be eligible to bid in this tender only if the bidder is registered with the Department for Promotion of Industry and Internal Trade (DPIIT).

ii. "Bidder" (including the term 'tenderer', 'consultant' or 'service provider' in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency branch or office controlled by such person, participating in a procurement process.

iii. "Bidder from a country which shares a land border with India" for the purpose of this Order means:

- a) An entity incorporated, established or registered in such a country; or
- b) A subsidiary of an entity incorporated, established or registered in such a country; or
- c) An entity substantially controlled through entities incorporated, established or registered in such a country; or
- d) An entity whose beneficial owner is situated in such a country; or
- e) An Indian (or other) agent of such an entity; or
- f) A natural person who is a citizen of such a country; or
- g) A consortium or joint venture where any member of the consortium or joint venture falls under any of the above

For details about registration procedures please visit the above mentioned OM. Mandatory documentary evidence regarding the bidder's registration with DPIIT is to be submitted along with the tender, failing which the tender shall be liable for rejection. Bidders are also requested to submit the Model Certificates **as per Annexure 'K'** for this tender as mentioned in the Ministry of Finance OM No. 6/18/2019-PPD dated 23rd July 2020.

18. Force Majeure: NCCS, Pune may consider relaxing the penalty and delivery requirements, as specified in this document, if and to the extent that the delay, in performance or other failure to perform its obligations under the Contract, is the result of a Force Majeure.

Force Majeure is defined as an event of effect that cannot reasonably be anticipated such as acts of God (like earthquakes, floods, storms etc.) acts of states, the direct and indirect consequences of wars (declared or undeclared) hostilities, national emergencies, civil commotion and strikes at successful Bidder's premises.

19. Dispute Settlement:

NCCS, Pune and the Supplier, shall make every effort to resolve amicably by direct informal negotiation, any disagreement or dispute arising between them under or in connection with the Contract.

If, after twenty-one (21) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either NCCS, Pune or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration.

Arbitration may be commenced prior to or after delivery of the Goods under the Contract. The dispute settlement mechanism/arbitration proceedings shall be concluded as under:

(a) In case of Dispute or difference arising between NCCS, Pune and a domestic supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act, 1996, the rules there under and any statutory modifications or re-enactments thereof shall apply to the arbitration proceedings. The dispute shall be referred to the Director, NCCS, Pune, if he is unable/ unwilling to act, to the sole arbitration of some other person appointed by him is willing to act as such Arbitrator. The award of the arbitrator so appointed shall be final, conclusive and binding on all parties to this order.

(b) In the case of a dispute between the Purchase and a Foreign supplier, the dispute shall be settled by arbitration in accordance with provision of sub-clause (a) above. But if this is not acceptable to the supplier then the dispute shall be settled in accordance with provisions of UNCITRAL (United Nations Commission on International Trade Law) Arbitration Rules. The venue of the arbitration shall be the place from where the purchase order or contract is issued.

20. Jurisdiction: The disputes, legal matters, court matters, if any, shall be subject to Pune Jurisdiction only.

Technical specifications for Autofill Cryogenic Storage System

Autofill Cryogenic Storage System

Technical Specification:

A) Autofill Cryogenic Freezer (Quantity: 2):

1. System with storage capacity for 20000-21000 cryovials (2.0 ml) in 100% vapor phase.
2. Should be vacuum insulated with stainless steel exterior and interior and fitted with castor wheels.
3. Overall Height 57 ± 2 inches and diameter 33 ± 2 inches.
4. Neck opening of not more than 12.8 inches.
5. Should be fitted with deep, hinged stainless steel steps with handle and spring-loaded locking mechanism for easy raising and lowering.
6. Should have two vertically mounted grab handles for user safety and convenience.
7. Equipped with microprocessor controller to monitor and control the liquid nitrogen (LN2) levels along with automatic refilling of LN2 from the supply tank on sensing lower levels.
8. Equipped with dual liquid-level sensing feature for LN2 level.
9. Must be able to measure liquid nitrogen level via differential pressure and a built-in digital measuring stick with thermistors in fixed positions.
10. Equipped with sensor for solenoid monitoring for overfill.
11. Should have the availability of manual fill and stop fill provision.
12. Internal chamber design should be of turn-table format with 4 quadrants for easy bifurcation and identification. The bottom area of the system should be fitted with a platform for positioning the samples/racks in vapor phase.
13. Internal chamber should be equipped with cryogenic light and automatic defogging function.
14. Equipped with LN2 level line auto-flushing mechanism in every 24 hr to eliminate hinderance in liquid nitrogen level maintenance.
15. Equipped with gas by-pass mechanism for minimum LN2 loss.
16. Equipped with battery back-up to facilitate working of the controller for 72 hours.
17. Should be able accommodate additional temperature probes for external temperature monitoring purpose.
18. Should not consume more than 65-70 lit of LN2 to maintain the vapor phase. LN2 should be stored below the turn-table platform.
19. Should have a static evaporation rate of 6.5 lit/day.
20. Equipped with locking mechanism to avoid unauthorized access of samples.
21. Should be provided with compatible aluminum racks having spring clips to accommodate 20000-21000 cryovials (2.0 ml). Racks should be from the OEM of the equipment.
22. The racks should be colour coded and with numbering.
23. Each aluminum rack should be 5-tier having a capacity to hold 5 nos. boxes of 100/81 cell cryoboxes.

24. Flexible 6 ft vacuum jacketed transfer hose pipe should be provided.
25. Should be equipped with 10" non-PLC touchscreen controller system that is top mounted.
26. Controller should be able to display the real time LN2 usage, LN2 level and temperature along with self -diagnostics capabilities.
27. Controller should facilitate audio-visual alarms with buzzer for variety of parameters including high temperature, Low/High LN2 level, Power failure, Stuck valve, Lid open, 'empty supply cylinder' in-case the LN2 supply tank is empty etc.
28. Controller should facilitate WiFi based email alerts along with remote monitoring.
29. Controller should be capable to allow password protection to avoid unauthorized access to the parameters.
30. Controller should be equipped with event log to access the past events, alarm notifications and maintenance schedule.
31. Should have 30-year event logging capability for extensive event data (lid openings, liquid level, temperature events, etc.) that can be easily downloaded.
32. Controller should be fitted with RS485, USB, and ethernet ports.
33. Event log data transfer/export should be in both Excel & PDF format.
34. Should be with 2-year standard warranty for complete system.
35. Should be with 5 years warranty on vacuum.

B) Liquid Nitrogen Supply Tank (Quantity: 2):

1. Low pressure (22 psi) stainless steel LN2 tanks with thick dent resistant outer shell with roller base, handle and safety valves.
2. Liquid level gauge with accuracy and expanded gauge ranges for better resolution.
3. Empty weight: 155±10 kg
4. Capacity – not less than 240 lts
5. Dimension: Height: 56±2 inches including roller base
Diameter: 40±2 inches including roller base
6. Net evaporation rate not more than 1.5 % per day.
7. System should be PESO certified. Necessary certificate should be submitted.
8. Should be with availability of two-way-valve for dual point use.
9. Should be with standard 1-year warranty.
10. Should be with 5 years warranty on vacuum.

Other Specifications
